

**NARRATOR:**

Gather round people,  
For a story that must be told,  
About Santa Leviev's Diamonds  
And the terrible secrets they hold.

As we peel off the layers  
Of the onion of disguise  
We see that Leviev is in fact no Santa,  
He is the Grinch!  
And he is feeding us lies.

So despite the success  
When we boycott and divest,  
If you take off his mask,  
And expose his dark task,  
You will see his true crime,  
Is to steal Palestine.

**PERSON 1:**

*With newspaper in hand.* Good news! Good news! Lev Leviev has made a public announcement that his company, Africa Israel is no longer involved in Israeli settlement projects and that it has no plans for future settlement activities. *Everyone claps and cheers.*

**NARRATOR**

*(Santa/Grinch spins out of first layer, chorus peels off a layer of the onion)*  
But peel off a layer of diamonds refined,  
And here you will find,  
How he is still treating his fellow mankind.

**PERSON 2:**

*Reading the newspaper.* Leviev's company Leader Management and Development builds and manages the Zufim settlement on the land of Jayyous in the West Bank.

**CHORUS**

So despite the success  
When we boycott and divest,  
If you take off his mask,  
And expose his dark task,  
You will see his true crime,  
Is to steal Palestine.

**PERSON 1:**

*With newspaper in hand. Good news! Good news! Celebrities who once wore Leviev's diamonds will no longer be caught supporting him and have told him to take their famous faces off of his website. Everyone claps and cheers.*

**NARRATOR:**

*(Santa/Grinch spins out of second layer, chorus peels off a layer of the onion*  
But peel off a layer of diamonds refined,  
And here you will find,  
How he is still treating his fellow mankind.

**PERSON 2:**

*Reading newspaper.* Through Leviev's activities in diamond mining, purchasing and selling, he continues to contribute to severe human rights violations in Angola.

**CHORUS:**

So despite the success

Is to steal Palestine.

**PERSON 1:**

Also, the Norwegian pension fund and other investors have divested from his company, due to his illegal settlement activities on Palestinian lands.

**NARRATOR:**

*(Santa/Grinch spins out of third layer, chorus peels off a layer of the onion*  
But peel off a layer of diamonds refined,  
And here you will find,  
How he is still treating his fellow mankind.

**PERSON 2:**

*Reading newspaper.* Leviev has supported settler organizations, like the Land Redemption Fund, which coordinate the takeover of Palestinian land in key areas earmarked for the expansion of settlements in the West Bank.

**CHORUS:**

So despite the success  
When we boycott and divest,  
If you take off his mask,  
And expose his dark task,  
You will see his true crime,  
Is to steal Palestine.

**NARRATOR:**

So now you can see,  
The Grinch before thee.  
With facts such as these,  
You cannot disagree.

Leviev is no Santa indeed,  
But a man who profits while others bleed.

But we must believe that  
Lev's small heart can grow,  
Making him realize that: yo,  
Life does not consist of stealing and selling in a store,  
That life perhaps means a little bit more!

Lev and compassion seems like a long shot,  
But maybe, just maybe...  
No ONLY – with boycott.
