

THE TIME IS NOW: TIAA-CREF, DIVEST FROM THE ISRAELI OCCUPATION!

Tues., July 17, 2012 -
12:30pm - 2:30pm

TIAA-CREF
headquarters
in New York:
730 3rd Ave
(between 45th &
46th Sts)

Join our street action to protest TIAA-CREF investments!

TIAA-CREF has made a historic decision to divest \$72.9 million of Caterpillar stock from their Social Choice fund. But this is only the beginning! **TIAA-CREF invests over \$900 million with Caterpillar** in other portfolios. Its Social Choice fund invests in **Motorola Solutions** and **Hewlett-Packard**, which operate in illegal Israeli settlements and at military checkpoints. And TIAA-CREF continues to invest in **Elbit**, **Veolia**, **Northrup Grumman**, and **Africa-Israel**, companies that profit from and help maintain Israel's occupation of Palestine.

Join us on July 17 during the 'TIAA-CREF shareholders' meeting to demand that TIAA-CREF live up to its motto "For the Greater Good" and divest from all its holdings in companies profiting from violations of international law and Palestinian human rights.
