

# **DON'T HARMONIZE WITH APARTHEID**

**JOIN US TO PROTEST THE  
ISRAEL PHILHARMONIC  
ORCHESTRA'S PERFORMANCE  
AT CARNEGIE HALL  
(57TH STREET AND 7TH AVE)**

**Thursday, October 25th, 6 pm-7 pm**

The Israel Philharmonic Orchestra (IPO) brags of its partnership with the Israeli army. It is held up as Israel's premier cultural ambassador. The IPO is an important component of the "Brand Israel" campaign, which seeks to distract from Israel's illegal occupation and the suppression of Palestinian rights.

Responding to the call from Palestinian civil society to isolate Israel's apartheid regime, we will protest against the Israel Philharmonic during its 2012 tour.

**NO WHITEWASHING, NO IMPUNITY, AND  
NO BUSINESS AS USUAL FOR THE APARTHEID STATE!**

There will be theater, visuals, music, fun and passion for justice! (Signs will be provided)
