SONGS

Hey, Hey, Hey, Hey

Hey hey hey hey (2X)
From New York to Palestine,
Occupation is a crime

Hey hey hey hey (2X)
From the river to the sea,
All people must be free

...From the belly of the beast
No justice no peace

...From the bottom to the top
Racism's got to stop

...You can help Apartheid end
Just think before you spend

...Israeli products aren't benign
They help oppress in Palestine.

...Their marketing, it cannot hide
Israeli Apartheid.

...For liberation take a stand
Don't let Is-ra-el rebrand

...Together we can turn the tide
No more white-wash-ing Apartheid

...In NYC we're gonna sing
'Til Israel feels the sting

...Let's build a bridge, tear down a wall
'Til there's justice fo-or all

...With BDS we're here to say
Free Palestine today!

Which Side Are You On?

I was sittin home watchin' CNN
Runnin' that government line
They say that Israel must be safe
Well what about Palestine?

CHORUS:

Which side are you on?
Which side are you on?
Justice or oppression?
Which side are you on?

All we really want is peace
Palestinians want it too
But **segregation** walls and bombs
Can't lead to anything new

From New York to Palestine
Folks struggle for their rights
Until each child can say, "I'm free!"
We all must join the fight

Boycott, Divestment, Sanctions
BDS to be concise
You too can help Apartheid end
Make Israel pay a price

CHORUS:

Which side are you on?
Which side are you on?
Justice or oppression?
Which side are you on?

We Shall Not, Be Moved

Chorus:

Palestine, we shall not be moved
Palestine, we shall not be moved
Until Israel stops its occupation
We shall not be moved

Palestine, we shall not be moved
Palestine, we shall not be moved
Just like those Freedom Fighters
in South Africa
We shall not be moved

Shoppers have to take a stand
We shall not be moved
No excuse for stealing land
We shall not be moved
Until Israel stops its occupation
We shall not be moved

We shall not, we shall not be moved
We shall not, we shall not be moved
Until Israel stops its occupation
We shall not be moved

Shopkeepers must have some spine
We shall not be moved
Heed the call from Palestine
We shall not be moved
Until Israel stops its occupation
We shall not be moved

We shall not, we shall not be moved
We shall not, we shall not be moved
Until Israel stops its occupation
We shall not be moved

Don't you buy Apartheid
We shall not be moved
Boycott can help turn the tide
Until Israel stops its occupation
We shall not be moved

We shall not, we shall not be moved
We shall not, we shall not be moved
Until Israel stops its occupation
We shall not be moved

I Stood Up to Ethnic Cleansing

(tune: "I've Been Working on the Railroad")

I stood up to ethnic cleansing
Opposed it all along
I stood up to ethnic cleansing
And I hollered it was wrong
Can't you hear the people
shouting, Occupation No!

And regarding all the settlements,
They will have to go

They will have to go
They will have to go
They will have to go without delay
They will have to go
They will have to go
They will have to go today

Someone's on the sidewalk singing
'Bout all the things they would love to hide
Someone's on the sidewalk singing
Don't buy a-par-theid!
We're shouting:
War crimes! Draw the line!
Justice is our only guide!
Equal rights for Palestine!
Don't buy a-par-theid!

Don't Buy Israeli

(tune: Hava Nagila)

Thanks to Linda Jansen, Seattle

Chorus:

Don't buy Israeli, don't buy Israeli
Don't buy Israeli goods today!
Don't buy Israeli, don't buy Israeli
Don't buy Israeli goods today!
L'Oreal and Ahava
Stolen beauty breaks the law
Don't buy Israeli goods! Stop today!

Motorola, Sabra Hummus
You won't take our freedom from us
Don't buy Israeli goods! Stop today!

Hey, hey, hey hey hey hey
Our tax dollars buy the weapons
Gotta stop this gruesome schleppin'
Congress needs some moral fiber
Zionists can't be the drivers
Freedom now, freedom now
Freedom now for Palestine!

Chorus

When you shop and when you dine
You can send Israel a sign
Don't buy Israeli goods! Stop today!
Human rights are on the line
Stand up for Palestine!
Don't buy Israeli goods! Stop today!

Hey, hey, hey hey hey hey
Our tax dollars buy the weapons
Gotta stop this gruesome schleppin'
Congress needs some moral fiber
Zionists can't be the drivers
Freedom now, freedom now
Freedom now for Palestine

Chorus

Buy, Buy Apartheid

(tune: "Bye, Bye, Birdie")

Pack up all your cares and woes,
Social conscience, there it goes
You buy apartheid!
Dispossession you pursue
Because you say the land's for you,
You buy apartheid!

You don't see the suffering of others
They'd all move away if you had your
druthers
God gave you their water and land
That's why you buy Israeli brands
Apartheid you'll buy

Bulldoze all their olive trees
That they've grown for centuries
Bye bye natives
You were here before they were
Now you're back, they must defer
Bye, bye natives

International law can't understand you,
And then that human rights stuff they all
hand you,
Though you've caused your brother's
plight
Somehow you can sleep at night,
Apartheid you'll buy
Apartheid you'll buy

This Boycott was Made for You and Me

(tune: "This Land is Your Land")

This boycott's righteous
It stands for justice
From the lettuce pickers
To Montgomery buses
From Nestle's formula
To Israeli land grabs
This boycott was made for you and me

As I went walking
I saw South Africa
An apartheid system
With Polaroid passbooks
I wouldn't play Sun City
I'm not that shitty
That boycott was made for you and me

I've roamed and rambled
And followed the footsteps
Of corporate criminals
And government accomplices
And all around me a voice was sounding
Divest from settler colonies

In the midst of a settlement
I saw a factory
Said they were employing
Palestinians
But they took the land of
Indigenous people
That's why we boycott SodaStream

This boycott's righteous
It stands for justice
From the lettuce pickers
To Montgomery buses
From fossil fuel stocks
To Israeli land grabs
This boycott was made for you and me

Soda Streamin’/Dreamin’

(tune: “California Dreamin”)

Israel's hasbara
Tries to hide theft of land
Terrorizing natives
That's already been banned
Then they add greenwashing
To their devious brand
No More Soda Streamin'
For justice take a stand

Israel won't back down
Taking freedom away
Time to sell your stock
In Soda Stream today
No one's safe and warm
If they're in Israel's way
No more Soda Streamin'
No more apartheid days

I've done my research
On Mishor Adumim
We keep the conquered on their knees
When we buy Soda Stream
Don't buy oppression any more
Take settlements away
No more Soda Streamin'
No more apartheid days

We're Not Gonna Buy It

(tune: Twisted Sister's "We're Not Gonna Take It")

We're not gonna buy it
No, we ain't gonna buy it
We won't buy Apartheid anymore

Don't buy the Brand Israel line
Boycott for Palesti-ine
They called we answered, with our song
We'll fight Israeli oppression,
And US collaboration
If we have one voice, we'll be strong

We're not gonna buy it
No, we ain't gonna buy it
We won't buy Apartheid anymore

Apologists so condescending
Their gall is never ending
We just want justice, nothing less
The West Bank is invaded
Gaza is still blockaded
We'll do our best, to end this mess

Whoa.....
Whoa.....
We're right/yeah
We're free/yeah
We'll fight/yeah
You'll see/yeah

We're not gonna buy it
No, we ain't gonna buy it
We won't buy Apartheid anymore

School Days Under Apartheid

(tune: Chuck Berry's "School Days")

Up in the mornin' and out to school
Israel's **universities** are the tool
Palestinian hist-ry, they give it a pass
Too busy with jobs for the army brass
Workin' your fingers right down to the
bone
To **help** control the occupied zone

Ring, ring goes the bell
Village **kids** are **in** the prison cell
Discrimination at Ben Gurion
Palestinian students almost unknown
Back in the classroom they cook the
books
Apartheid don't **know** how mean it looks

Set the campus on stolen land
This is **where** the seizure of Palestine's
planned
With the **grants** you love, you work for
the boss
All day **long** Palestinians waitin' to cross
Doin' **demographics** at Haifa U
Better **send** some natives to Timbuktu

Soon as two thousand-five rolls around
We're **boycottin'** to bring apartheid
down
You say we violate freedom of speech
But you don't practice what you preach
Up to the corner and round the bend
Palestinian freedom is at the end

They hail brand Is-rael
Our prettier **face** must prevail
They use hasbara
To **fool** the world is the holy grail
Look **out**, they're callin' us to account
Academic apartheid's beyond the pale

Buy, Buy Apartheid

(tune: "Bye, Bye, Birdie")

Pack up all your cares and woes,
Social conscience, there it goes
You buy apartheid,
Dispossession you pursue
Because you say the land's for you,
You buy apartheid!

You don't see the suffering of others
They'd all move away if you had your
druthers
God gave you their water and land
That's why you buy Israeli brands
Apartheid you'll buy

Bulldoze all their olive trees
That they've grown for centuries
Bye bye natives
You were here before they were
Now you're back, they must defer
Bye, bye natives

International law can't understand you,
And then that human rights stuff they all
hand you,
Though you've caused your brother's
plight
Somehow you can sleep at night,
Apartheid you'll buy
Apartheid you'll buy

Old Abdallah

(tune: "Old MacDonald")

Old Abdallah had a farm (ee-eye-ee-eye-oh)
And on his farm he grew zaytoon (ee-eye-ee-eye-oh)
With a good crop here and a good crop there
Here a crop, there a crop everywhere a good crop
Old Abdallah had a farm (ee-eye-ee-eye-oh)

And from his farm they took his trees (ee-eye-ee-eye-oh)
With a caterpillar here, a caterpillar there
Here a cat, there a cat, everywhere a cat, cat
Old Abdallah had a farm (ee-eye-ee-eye-oh)

And on his farm they built the wall (ee-eye-ee-eye-oh)
With a checkpoint here and a checkpoint there
Here a soldier, there a soldier everywhere Israeli soldiers
Old Abdallah had a farm (ee-eye-ee-eye-oh)

And from his farm they took his sons (ee-eye-ee-eye-oh)
With an army raid here, army raid there
Here a raid, there a raid, everywhere an army raid
Old Abdallah had a farm (ee-eye-ee-eye-oh)

And on his farm he gathered friends (ee-eye-ee-eye-oh)
With a protest here, a protest there
Here a march, there a march
THIS IS HOW A MOVEMENT STARTS!

In New York we heard the call, demands they numbered 3
Occupation falls! Equality for all! Return of refugees!

With a boycott here, divestment there
BDS grows everywhere...
JOIN US NOW IN BDS
AND SAVE ABDALLA'S FARM
