SONGS

Give Me That Old Time Boycott

(tune: " Give Me That Old Time Religion")

Chorus:

Give me that old-time boycott
Give me that old-time divestment
Give me them old-time sanctions
They will make the people free

From the fields of California
To *bathrooms* in Carolina
Really nothing could be finer
Than to boycott till we're free

It was good enough for Nestlé
So let's use it for the Dead Sea
Dispossessing is not cool see
But divestment is the key

Chorus

It was good *for* Sun City
That apartheid was so shitty
Israel's *land* theft isn't pretty
And that's why we're singing here

Your executive order
Is so clearly out of order
It's a state terrorist order
It's not good enough for me

Chorus

Will the Bill of Rights Be Broken?

(Tune: "Will the Circle Be Unbroken")

I was standing against oppression
On a cold and cloudy day
When I heard the Governor calling
For to carry my democracy away

Will the Bill of
Rights be broken
Or be honored in the breach
When they take your right to boycott
They have taken your freedom of speech

Now the governor's in the capital
Helping Israel steal the land
Netanyahu wants to grab it all
That's why we must take a stand

Are you now or have you ever
Been supportive of human rights
Better watch out for the Governor
Cause he's got you in his sights

We are here to tell the governor
We boycott and divest with pride
You attack our first amendment
In support of apartheid.

Major domo in the statehouse
Wants to kill the bill of rights
Wants to bring back the dark ages
We are here to turn on the lights

Will the Bill of
Rights be broken
Or be honored in the breach
When they take your right to boycott
They have taken your freedom of speech

When Palestinians are Free

(tune: "When the Saints Go Marching In")

When we stand up for human rights
When we stand up for human rights
Yes, I want to be in that number
When we stand up for human rights

Boycott, Divest, We do our best
We're here to help the dispossessed
Yes, I want to be in that number
When we boycott and divest

Oh when the saints see what you've done
This injustice they will shun
Yes, I want to be in that number
When the saints see what you've done

To help those yearning to be free
Is our responsibility
Yes, I want to be in that number
When Palestinians are free

Turn Me 'Round

(tune: "Ain't Gonna Let Nobody Turn Me 'Round")

Ain't gonna let Andrew Cuomo
Turn me 'round, turn me 'round,
 turn me round
Ain't gonna let Andrew Cuomo
Turn me 'round
Gonna keep on walkin', keep boycottin'
'Til Palestine is free

Ain't gonna let the siege on Gaza...
Ain't gonna let Netanyahu...
Ain't gonna let Brand Israel...
Ain't gonna let whitewashing...
Ain't gonna let rebranding...
Ain't gonna let racism...
Ain't gonna let the blacklisting...
Ain't gonna let Apartheid...

This Boycott was Made for You and Me

(tune: "This Land is Your Land")

This boycott's righteous
It stands for justice
From the lettuce pickers
To Montgomery buses
From Nestlé's formula
To Israeli land grabs
This boycott was made for you and me

As I went walking
I saw South Africa
An apartheid system
With Polaroid passbooks
I wouldn't play Sun City
I'm not that shitty
That boycott was made for you and me

I've roamed and rambled
And followed the footsteps
Of corporate criminals
And government accomplices
And all around me a voice was sounding
Divest from settler colonies

In the midst of a settlement
I saw a factory
Said they were employing
Palestinians
But they took the land of
Indigenous people
That's why we boycott SodaStream

This boycott's righteous
It stands for justice
From the lettuce pickers
To Montgomery buses
From fossil fuel stocks
To Israeli land grabs
This boycott was made for you and me

Don't Buy Israeli

(tune: Hava Nagila)

Thanks to Linda Jansen, Seattle

Chorus:

Don't buy Israeli, don't buy Israeli
Don't buy Israeli goods today!
Don't buy Israeli, don't buy Israeli
Don't buy Israeli goods today!
L'Oreal and Ahava
Stolen beauty breaks the law
Don't buy Israeli goods! Stop today!

Motorola, Sabra Hummus
You won't take our freedom from us
Don't buy Israeli goods! Stop today!

Hey, hey, hey hey hey hey
Our tax dollars buy the weapons
Gotta stop this gruesome schleppin'
Cuomo needs some moral fiber
Zionists can't be the drivers
Freedom now, freedom now
Freedom now for Palestine!

Chorus

When you shop and when you dine
You can send Israel a sign
Don't buy Israeli goods! Stop today!
Human rights are on the line
Stand up for Palestine!
Don't buy Israeli goods! Stop today!

Hey, hey, hey hey hey hey
Our tax dollars buy the weapons
Gotta stop this gruesome schleppin'
Cuomo needs some moral fiber
Zionists can't be the drivers
Freedom now, freedom now
Freedom now for Palestine

Chorus
