## SONGS

(tune: "Ain't Gonna Let Nobody Turn Me 'Round")

Ain't gonna let occupation  
Turn me 'round, turn me 'round, turn

Ain't gonna let occupation  
Turn me 'round  
Gonna keep on walkin', keep  
boycottin'  
'Til Palestine is free

Ain't gonna let the siege on Gaza...  
Ain't gonna let apartheid...  
Ain't gonna let Netanyahu...  
Ain't gonna let Brand Israel...  
Ain't gonna let whitewashing...  
Ain't gonna let rebranding...  
Ain't gonna let racism...  
Ain't gonna let Donald Trump...  
Ain't gonna let David Friedman...  
Ain't gonna let bans and walls...  
Ain't gonna let the IDF...  
Ain't gonna let the City Winery...  
Ain't gonna let Idan Raichel...

### **Wein 'a Ramallah** (BDS version)

Wein 'a Ramallah; Wein 'a Ramallah  
Welfi 'a msafer wein 'a Ramallah  
(repeat)

Boycott apartheid; Boycott apartheid  
Boycott, boycott, boycott apartheid  
(repeat)

Justice for Palestine  
Justice for Palestine  
Justice, justice, justice for Palestine  
(repeat)

### **Which Side Are You On?**

I was sittin' home watchin' CNN  
Runnin' that government line  
They say that Israel must be safe  
Well what about Palestine?

CHORUS:

Which side are you on?  
Which side are you on?  
Justice or oppression?  
Which side are you on?

All we really want is peace  
Palestinians want it too  
But **segregation** walls and bombs  
Can't lead to anything new

From New York to Palestine  
Folks struggle for their rights  
Until each child can say, "I'm free!"  
We all must join the fight

Boycott, Divestment, Sanctions  
BDS to be concise  
You too can help Apartheid end  
Make Israel pay a price

CHORUS:

Which side are you on?  
Which side are you on?  
Justice or oppression?  
Which side are you on?

## Boycott Raichel

(tune: "Bella Ciao")

We've got to wake up  
We've got to wise up  
We've got to boycott Raichel  
And do it now now now  
We've got to build a better future  
To fight for freedom this we vow

Supporting conquest  
Is what we protest  
Idan is *artwashing* IDF war crimes  
We've got to *build* a better future  
With peace and *justice*, not just rhymes

Your music's global  
But not so noble  
Cuz you *support* dispossessing  
    *indigenous* folks  
We want our *music* to fight for freedom  
Not a phony fusion hoax

So let's all wake up  
The truth let's take up  
No more *stealing* of water and land and  
    rights  
We're gonna build a better future  
And we're gonna start right now

## When the IDF Goes Marching In

(tune: "When the Saints Go Marching In")

When the IDF goes marching in  
When the IDF goes marching in  
Wake up *from* your human rights slumber  
When the IDF goes marching in

And when brigades make brutal raids  
Enabled by artwashing stars  
Wake up *from* your human rights slumber  
Don't bring your guns, just bring guitars

When folks deny, turn a blind eye  
To suffering in Palestine  
Wake up *from* your human rights slumber  
From your PR post resign

You're known worldwide, Jekyll and Hyde  
About the settlers you have lied  
Wake up *from* your human rights slumber  
Reclaim your conscience as your guide

Your music's cool, you really rule  
Over the conquered and their lands  
Wake up *from* your human rights slumber  
Help us boycott Israel's brands

## We Shall Not Be Moved

### **Chorus:**

We shall not, we shall not be moved  
We shall not, we shall not be moved  
Just like a tree that's planted by the water  
We shall not be moved

Your music's really thrilling  
But we do not approve  
Cause *you* support the killing  
We shall not be moved  
That's why we'll *boycott* you Idan 'til  
there's justice  
We shall not be moved

You're making groovy culture  
We shall not be moved  
But *you're* just fine with torture  
We shall not be moved  
So we'll *boycott* you Idan 'til there's  
justice  
We shall not be moved

You *hide* the truth behind a veil  
We shall not be moved  
*Working* hard for Brand Israel  
We shall not be moved  
We'll *boycott* you Idan 'til there's justice  
We shall not be moved

Ambassador for hasbara  
We shall not be moved  
*Supporting* settler violence  
We shall not be moved  
We'll *boycott* you Idan 'til there's justice  
We shall not be moved

You *boost* IDF torturers  
We shall not be moved  
You're *shilling* for apartheid  
We shall not be moved  
Until *Israel* stops its ethnic cleansing  
We shall not be moved

Your music comes from many lands  
We shall not be moved  
While *Israel's* racial hate expands  
We shall not be moved  
So we'll *boycott* you Idan 'til there's  
justice  
We shall not be moved

Sometimes we have to *give* up  
*Getting* in the groove  
When artists fail to *live* up  
To *human* rights improvement  
So we'll *boycott* you Idan 'til there's  
justice  
We shall not be moved

You sing of love in Hebrew  
We shall not be moved  
A *fig* leaf for what *you* do  
We shall not be moved  
So we'll *boycott* you Idan 'til there's  
justice  
We shall not be moved

Multi-ethnic fusion is  
Where you really rock  
Too *bad* you're still supporting  
That *ethnic* cleansing shlock  
So we'll *boycott* you Idan 'til there's  
justice  
We shall not be moved

Music hiding *land* theft  
Really is a crock  
*Crimes* against humanity  
Could *land* you in the dock  
So we'll *boycott* you Idan 'til there's  
justice  
We shall not be moved
